

FUND DRIVE 2024

Fund drives are a time to reflect on those causes that are important in our lives. Donations to the museum are a way to show your support for the work that has been done to preserve the heritage of the local oil and gas industry. For this reason, we ask that you consider a monetary donation to the Pioneer Oil Museum. Last year unfortunately saw a huge decrease in financial support.

This year there are **two options** to support the museum. First is a contribution to our general fund. These donations help the museum with bills such as utilities and insurance as well as maintenance, exhibit design, purchase of supplies, etc. They are the core of our existence. We greatly appreciate your support in this area.

The second option is to help complete the museum's growth and development campaign including the construction of a new wing on our main building at the Hahn & Schaffner site. We also working on the design and purchase of new displays, so your contributions may be used in a variety of ways and are greatly appreciated.

Donations of \$1000 or more toward the new addition will be designated as "bedrock" donations.

This museum exists because of your donations, a fundraiser, and small grants. Bequests are another method that may be used to help support the museum. We receive NO government assistance, no taxpayer dollars or financial support in any manner, and of course, your donations are 100% tax deductible. Thank you very much!

(Just a clarification – your donation now has NOTHING to do with the wine-tasting during Pioneer Oil Days. Tickets for that event will not be available until late May.)

Checks may be made payable to:

Pioneer Oil Museum of New York, Inc.
PO Box 332
Bolivar, NY 14715

The Museum maintains its 501(c)(3) status, so all contributions are tax deductible.
